

A Game for All Seasons: Mosman FC Wraps up the Summer 5 a Side Finals and looks forward to the Start of the Winter Season

Mosman, 21st February, 2010:

Mosman FC wrapped up a successful 5 a Side tournament with 2 afternoons of Grand Finals on Monday 22nd and Wednesday 24th February. The competition this year attracted a record number of players of all ages - nearly 500 players in 70 teams from the U6 Greased Lightnin' to the over 35 women Jelly Babes.

Mosman FC President Ian Clarke said the success of the tournament was due to the spirit of fun & friendly competition among the players.

"We found that many players play cricket on the weekends, and a mid-week football game was a great way play with their friends and maintain their fitness. Of course, there are also quite a few football fanatics, who just want to play football as much as they can." he said.

"We would also like to thank Lara Gomez & ex-Socceroo Gerry Gomez for organising the competition, and Fanuli Furniture for providing shirt sponsorship, allowing us to offer extra coaching."

The Monday Night finalists are:

U9 : Fireflys vs Red Leopards

U10/11 : Mustangs vs Tigers

U13/14 : Aloys FC vs Penguins

All Age Men : Sons of Pitches vs Brothers +1

The Wednesday Night finalists are:

U11/12 : Thundering Air Biscuits vs Victory

WO35 : Black Witches vs Green Witches

Meanwhile, the club is busy preparing for the winter season which kicks off in on 3rd April. It looks like there will be another rise in the number of players, with a large group of U6s, extra all age and O35 men's teams, and a new O35 women's team. A dedicated team of volunteers are busy with skills assessments of junior players, trials for seniors and forming teams for all. There are still place available in many age groups. See www.mosmanfootball.com for further updates.
