

# THE BUENA

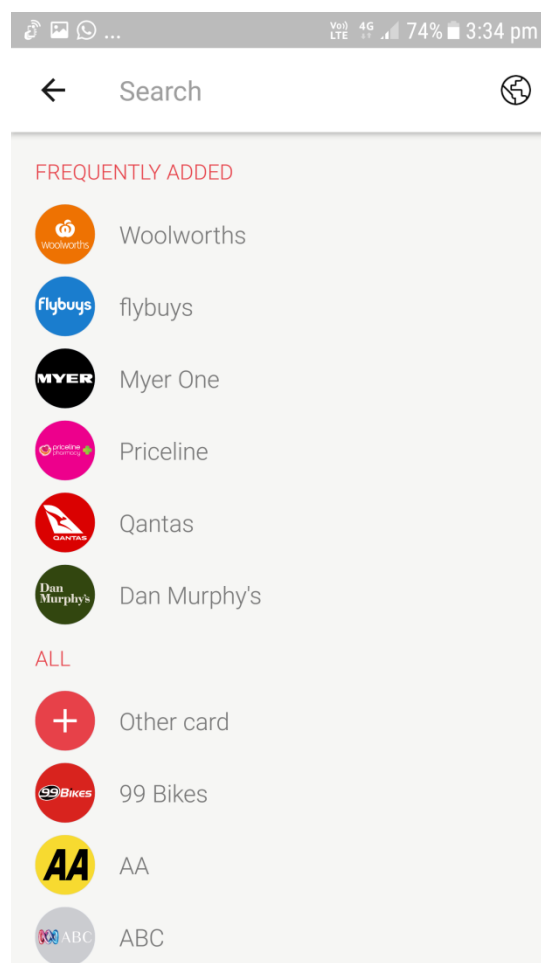

The Buena and Mosman Football Club have teamed up once again for the 2018 season and it's going to bigger and better. We are offering all members of the Mosman Football Club a membership program for The Buena that gives all members a 10% discount (excluding Bistro Moncur). This 10% discount will be applicable to all food and beverage full priced products. This means that any product that is already being discounted (ie happy hours) will not be discounted a further 10%. The discount will also not be applicable on public holidays.

## **How to become a Buena Member:**

For your convenience we have decided to transition this year's membership card onto an easy to download app. Stocard is an app that allows you to enter in a specific code that will give you benefits once presented at the hotel. To download this app please click on the below link:

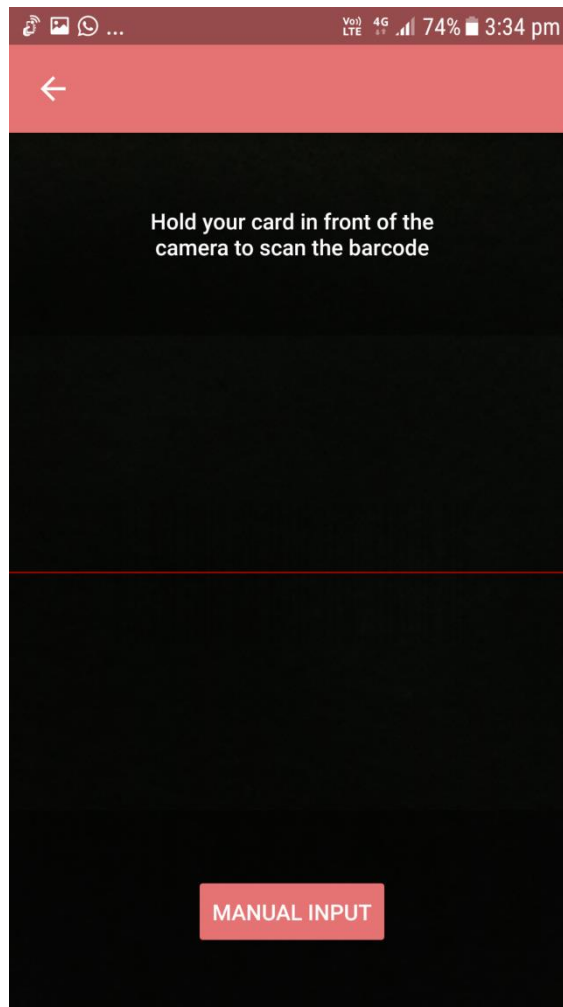

<https://stocardapp.com/>

- Once downloaded open up the app and it will display the below screen.

- To add a Buena membership card click on the button labelled "Other Card"

# THE BUENA

- The above screen will pop up once you have clicked on “Other Card”. From this screen you will need to click “Manual Input” and follow the next screen.
- Once clicked on “Manual input” the following screen will be displayed.

ADD CARD ICON

Store name

Card number 

Enter the customer number printed on your card

- In store name you will need to type **“Mosman Football Club”**
- In card number you will need to enter the code **“10221”**
- This code is reserved only to the Mosman Football Club. Staff may request for your details to confirm you are a member of the Mosman Football Club. Misuse of this code may result in the cancellation of the app and membership benefits.
- If you are having any issues with your membership program when at the venue please ask for a manager on duty and they will assist you.

I look forward to seeing you all at The Buena throughout the course of the year and if you have any questions please don't hesitate in contacting me.

Sincerely,

Toby Chick
